

Marine Bioresources Interested Colleagues
NEWS BULLETIN May-June 2013

Please contact BioBridge if you want strategic advice on entering the marine biotechnology or industrial biotechnology sectors or growing your business, or would like an expert analysis of markets and market dynamics - and visit our website www.biobridge.co.uk. Meredith Lloyd-Evans is also available to discuss positions as a Non-Executive Director in this area – contact us if you need Board-level assistance.

BioBridge update

The CSAMarineBiotech project www.marinebiotech.eu project managed by BioBridge was successfully completed at the end of March 2013. The CSA's work led to a proposal for an ERA-NET in Marine Biotechnology.

The website continues to be updated <http://www.marinebiotech.eu/>

The PharmaSea project <http://www.pharma-sea.eu/> in which BioBridge is a partner has completed its first 9 months.

BioBridge is organising a workshop at EFIB 2013 30th September, Brussels, on Streaming Marine Biotechnology through into business – overcoming bottlenecks and generating innovation. Please see the programme at <http://www.efibforum.com/workshops.aspx> Attendees at the workshop get discounted registration for the whole conference.

Dates for your diary

Biosciences KTN has announced two events 10th & 11th September, Glasgow, covering different aspects of the food supply chain, relevant to all sectors of the Biosciences KTN including algae producers and processors. Please [click](#) for more information

BioMarine Business Convention: 9 - 12 Sept 2013, Halifax, Canada

Preliminary programme is available at

<http://www.biomarine.org/upcoming-events/halifax-2013/>

N.B. Mission to BioMarine 2013-please see item in Other news section of this newsletter.

Natural Products Scotland 2013 – Dunstaffnage, Oban 25th/26th September 2013

The two day programme will feature presentations, discussions and breakout sessions on products derived from our region's natural environment such as seaweed, crops and microalgae extracts and their application in drug discovery, bio-energy, nutraceuticals, cosmetics and functional foods.

Dates for your diary continued

EFIB 2013: 30 September-2 October 2013, Brussels <http://www.efibforum.com/home.aspx>

"The Rendez vous de Concarneau 2013: Where industry meets science" France, 3-4 October 2013
<http://concarneau.mnhn.fr/node/425>

CIESM Congress, 28 October-1 November 2013, Marseilles France <http://www.ciesm.org/>

Other news

Mission to BioMarine 2013

The Canadian High Commission invites you to learn more about Canadian capabilities and to discover the wide range of opportunities that exists in Canada by participating in its mission to BioMarine 2013 in Halifax, Nova Scotia, 9th-13th September 2013.

For further general information please see the attached BioMarine 2013.pdf
To register please email Lee Thornton Lee.Thornton@international.gc.ca

By working with CHC in planning your attendance at the event, you will receive the latest information about the conference and partnering, invitations to exclusive networking events and informative seminars, the opportunity to participate in an industrial tour of Prince Edward Island focused on natural health products and naturally-derived bioactive ingredients, connections to Canadian organisations that you would like to meet, and intelligence on the marine industrial biotechnology sector in Canada.

For more information on BioMarine 2013 <http://www.biomarine.org/upcoming-events/halifax-2013/>

BioBridge can recommend attendance at BioMarine from personal experience of the previous events.

IFIB - Italian Forum on Industrial Biotechnology and Bioeconomy

Calls for posters and presentations at its 3rd edition. 22-23 Oct 2013 Naples

More information and abstract forms are available at www.assobiotec.it www.innovhub.it and
www.italianbiocatalysis.eu

BIO Pacific Rim Summit on Industrial Biotechnology and Bioenergy December 8-11, 2013

San Diego, California

CALL FOR PAPERS NOW OPEN

Submit your panel, paper or poster by July 31, 2013
