Most Innovative European Biotech SME Awards 2018- Call for Applications

Deadline for applications 30 September 2018

<http://biotechsmeawards.eu/>

IBioIC- Collaborative Training Partnership (CTP) PhD Programme 2019

The call for PhD Projects is now open for October 2019. IBioIC has 14 BBSRC and 6 IBioIC funded studentships with studentships allocated through a competitive process.

Deadline for applications 1 October 2018. For more information please visit http://www.ibioic-ctp.com/opportunities/i2689/ibioic_collaborative_training_partnership_ctp_phd_programme_call_for_projects_6.aspx

BioMarine 2018 2-4 October in Cascais, Portugal

Meredith Lloyd-Evans will be attending and assisting the innovations and bioplastics activities – register for sessions and, equally importantly, networking opportunities. The programme is available at

<https://biomarine.org/events/6272?tab=program-at-a-glance>

EFIB 2018 16-18 October in Toulouse

Marine Biotech will have its own track at EFIB 2018 <https://efibforum.com> co-organised by BioBridge, the Bio-Based Industries Consortium, IBioIC and EuropaBio. Meredith will chair the session, on 17th October.

The full programme is available at <https://efibforum.com/programme/preliminary-overview/>

EMBRIC surveys are published
